

National Family Development Credential® Program

Instructor Training Institute

**Hilton Bonnet
Creek Orlando,
Florida
December 13-16,
2021**

We are so happy to be back offering this training in-person again! This will be our first in-person event since 2019 and are offering it at the annual NHSA Parent & Family Engagement Conference. You can expect the same great experience in a safe and clean environment. To attend this conference, you must provide proof of vaccination and you will be required to wear a mask.

A 3.5-day training will prepare you to become certified to teach the Empowerment Skills for Family Workers curriculum. Once trained, you will be able to help Head Start and Community Action Family Workers meet their training requirements and needs of the community by earning their FDC™.

It is also a great opportunity to meet and work with others in your field for a memorable experience. Applications must be submitted for approval before Nov. 15. Limited spaces are available.

If you have any questions please contact National FDC Program office at
nationalfdc@uconn.edu
